

2nd Semester (Spring Term)

JUNE 2016		TUESDAY		WEDNESDAY		THURSDAY		FRIDAY		SATURDAY		SUNDAY	
MONDAY													
6		7		8		9		10		11		12	
Experimental Software Engineering	15:00	Interaction Design	15:00	Software Quality Management	15:00	Management, Relationships and Communication in Working Groups	15:00						
13		14		15		16		17		20		21	
Agent Based Software Development	15:00	Software Architecture	15:00	Software Design	15:00			Master Thesis	15:00				

Extraordinary period (JUL)

JUNE-JULY 2016						
MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
27	28	29	30	1	2	3
Interaction Design 15:00	Challenges for Accessible Computing for People with Functional Diversity 15:00	Experimental Software Engineering 15:00	Software Engineering Economics 15:00	Verification and Validation 15:00		
Models and Methods for Process Improvement and Assessment 18:00	Management, Relationships and Communication in Working Groups 18:00	Advanced Software Engineering Economics 18:00	Software Design 18:00			
4	5	6	7	8	9	10
Software Architecture 15:00	Software Project Management 15:00	Software Metrics 15:00	Rigorous Software Development 15:00	Software Quality Management 15:00		
Data Engineering 18:00	Agent Based Software Development 18:00	Critical Software 18:00	Requirements Engineering 18:00			
11	12	13	14	15	16	17
Agile Software Development: Agile Practices and Agile Usability 15:00	Master Thesis 15:00
